Note on Address List:

The Lexis/Nexus legal database reports addresses for the CEO, CFO, Secretary, and Applicant. In most cases, these are the same as the mailing address of the corporation. When they are different, in many cases the different address is a home address for the officer in question. In four cases involving the officers of Renewal Enterprises, CAM of Georgia, SEAN International Ministries, and the PCA Investors Fund, one or more of these officers are listed as having a business address which is not related to the mailing address. In each such case the differing address is printed under the name of the respective officer.
